Professional Tracks: CPT Internship Application

Curricular Practical Training (CPT) is authorized off-campus employment which is an integral or required part of your curriculum and course of study. It can be utilized in cases of students pursuing internships (paid or unpaid) or other employment opportunities related to the students' field of study.

Name: _____ Degree (circle one): AB ScB Graduation Year: _____

Concentration: _____ Professional Track: Y or N

General Instructions: Please fill this in as completely as possible. Once you have entered all information, please have this form signed by your Concentration Advisor. Submit a copy to the School of Engineering, Office of Student Affairs (3rd floor of Barus & Holley), then deliver this application to the Office of International Student Scholar Services (OISSS).

Undergraduate concentrators are required to complete two full-time professional experiences in areas related to their concentration in order to satisfy concentration requirements. Upon return to campus, each student must write and upload in ASK a reflective essay on their experience. See <https://bulletin.brown.edu/pdf/2018-19-bulletin.pdf> for more information.
