Why not enroll in Paris?

Established over 25 years ago, Brown in France remains one of the only direct enrollment programs in Paris allowing students to take university coursework in virtually all areas (including STEM courses).

**Enrollment** (One-semester or full-year)

- Sorbonne Universités, Paris 1
- Panthéon-Sorbonne, and Paris 8
- Vincennes-Saint Denis
- Ecole Spéciale d’Architecture (Architectural Studies), Institut Catholique (Religious and Contemplative Studies), others.

**Courses and activities**

- 4-6 courses taken at university
- Semester-long pro-seminar about Paris and contemporary French issues
- Monthly cultural outings
- Group regional seminar
- Solo weekend homestay in France

**Housing**

- Room in a student residence
- Host family
- Personal arrangements

**Professional experience**

- Summer internship
- Community service

«I was surprised by how much I loved my classes!»

«Not living with friends or family was difficult at first, but it was positive as a chance for growth.»

**Entry requirements**

- Equivalent of 6 semesters of college level French with a grade of B or better.
- Students must take one French course the year before departure

«I always had an interest in French culture but now I think I understand and appreciate it better.»

«The city of lights dazzled me!»
