Funding rate

Sources of funding

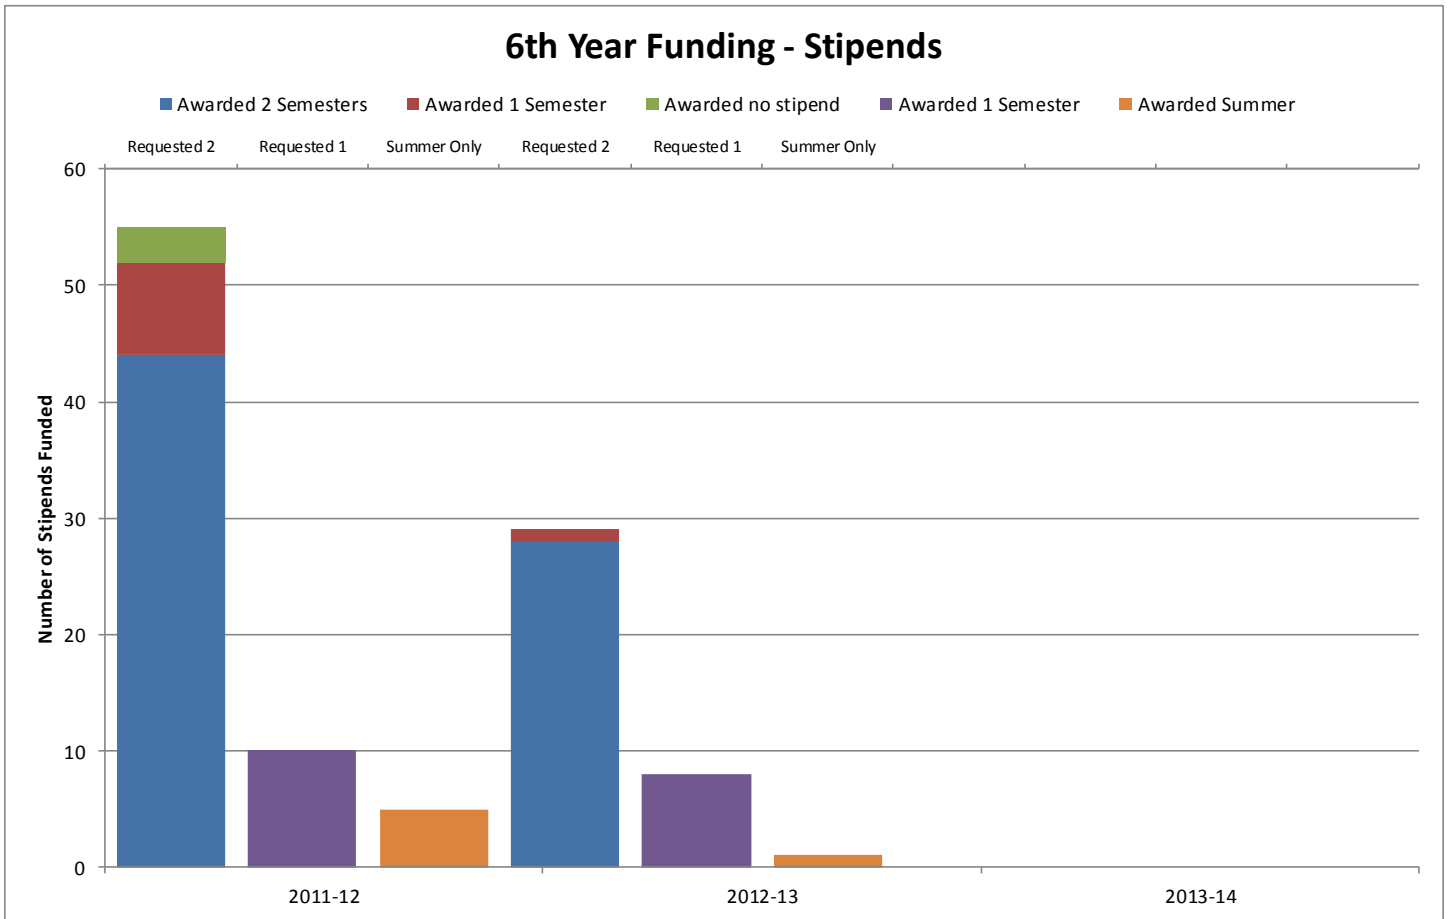

Notes:

“\$ from GS” refers to Graduate School funds from the 6th year pool.

“\$ from Program TSV” refers to separate Graduate School funds that are allocated to programs.

“\$ from program” refers to funds from individual graduate programs.

Number of stipends funded

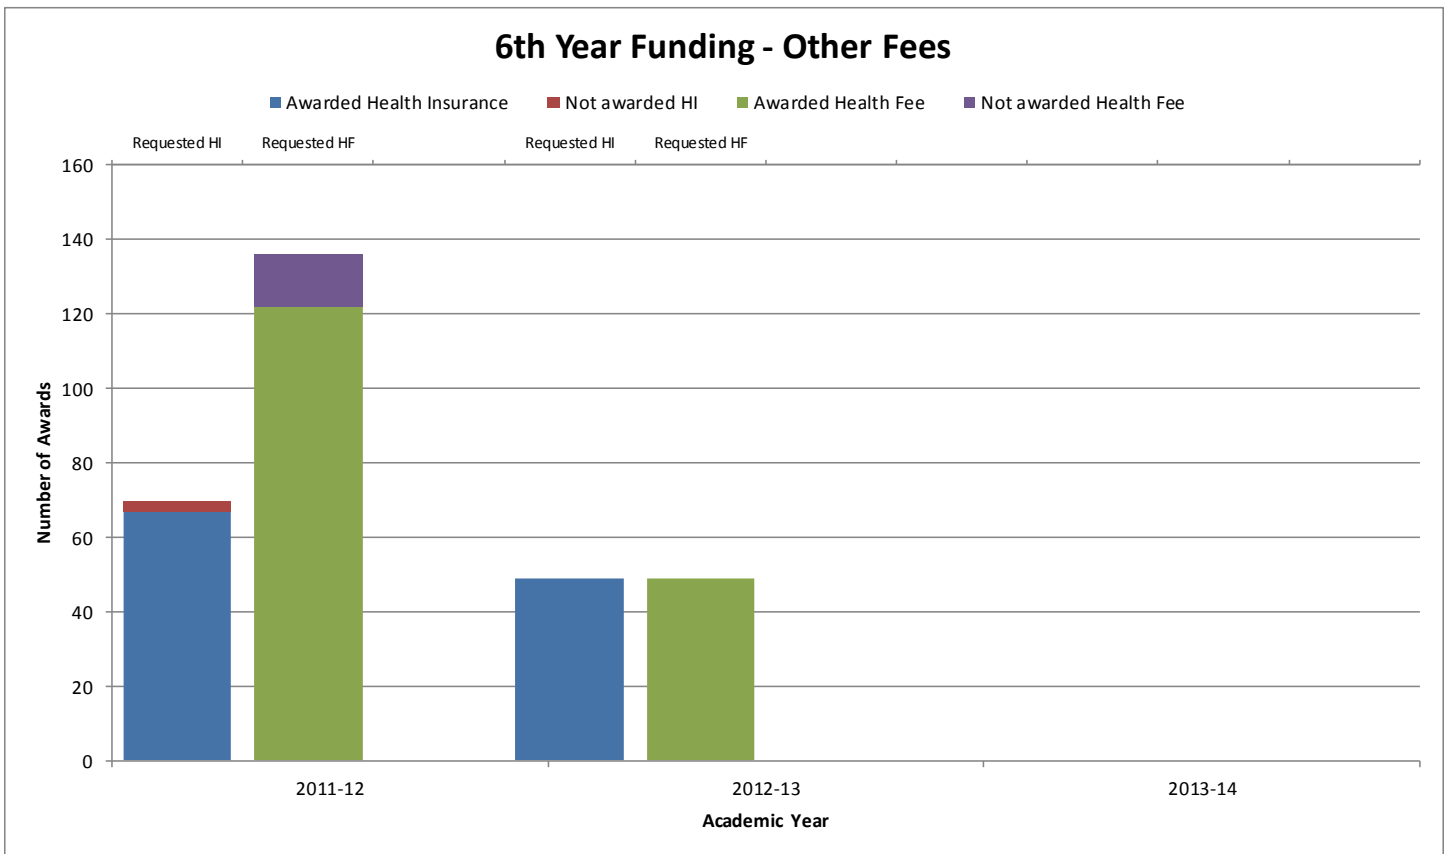

“Requested 2” refers to the number of students who requested 2 semesters of stipend funding. The colors indicate the number of 2-semester stipend awards, the number of 1-semester stipend awards, and the number of no-stipend awards.

“Requested 1” refers to the number of students who requested 1 semester of stipend funding. (They were all funded.)

“Summer only” refers to the number of students who requested summer support. (They were all funded.)

Non-stipend awards

“Requested HI” refers to the number of requests for health insurance. The blue color indicate the number that was funded (almost all).

“Requested HF” refers to the number of requests for health fee coverage. Since there are two semesters, the total adds up to about twice the number of health insurances. Most requests were funded (green).
