Prof. Gherman will present alternative ways to discuss and reflect upon Israel in the context of the hostile and polarized environment of the BDS without falling into the pitfalls of propaganda produced by different sides.

ABOUT THE SPEAKER
Prof. Gherman received his MA in anthropology from Hebrew University of Jerusalem and his doctorate in history from the Federal University of Rio de Janeiro, where he is currently a lecturer and the Coordinator of Center for Arabic and Jewish Studies. Among other publications, he is the author of O início do sionismo no Brasil: ambiguidades da história (The Beginnings of Zionism in Brazil: Ambiguities of History) published by UNIFESP Press, 2018.
