4:00 - 6:30 | The Genetics of Jewish Origin

Tuesday, March 21, 2017
8:30 - 10:30 | The Archaeology of Jewish Origin
11:00 - 12:30 | Perception & Politics of Jewish Origin

LOCATION
Faculty Club - One Magee Street
Free and open to the public - Seating is limited

The Jews have one of the longest continuously recorded histories of any people in the world, but what do we actually know about their origins? This multi-disciplinary symposium aims to bring together new research on the question of Jewish origin from a range of fields, including historical studies, archaeology, and genetics.

PARTICIPANTS
Gil Atzmon (Haifa University)
Cynthia M. Baker (Bates College)
Omer Bartov (Brown University)
