

BROWN EMERGENCY MEDICINE
BROWN PHYSICIANS, INC.

RESEARCH SYMPOSIUM
POSTER PRESENTATION GUIDELINES

PURPOSE

The emergency medicine research symposium aims to (1) highlight the research conducted by our department members; (2) provide an opportunity for presenting research findings for trainees and new researchers; (3) offer a forum for presenters to receive peer review, feedback and suggestions; (4) enable collaborations among our researchers and our research colleagues; (5) encourage high-quality research and progression to publication of research findings; (6) facilitate a process for assessment of departmental investments in research; and (7) provide an opportunity to learn from experienced researchers, particularly pertaining to research methodology in emergency medicine.

FORMAT

This poster session will allow you to share your work with peers and colleagues. The poster should be just a snapshot of your work from which you will use conversation to elaborate. You are expected to remain by your poster for the duration of the session (12:15 – 1 pm). All members of the Department of Emergency Medicine are invited to attend. The symposium serves as resident conference hours for that day.

INSTRUCTIONS

Poster size = 3 feet high x 5 feet wide

Poster content = The poster must include the Title, Authors, Funding, and Disclosures. The poster must include the following sections in order: Background, Objectives, Methods, Results, Conclusions. Contact amichaluk@lifespan.org for logos.

Set up = Please arrive at the Claverick 1st floor conference room no later than 11:30 am so that you have time to hang your poster and eat lunch before the poster session begins at 12:15 pm. Push pins will be provided.
