Dean’s Scholarships are awarded to students who demonstrate financial need and academic merit. Applicants must submit a complete Dean’s Scholarship Application by the application deadline: February 12th, 2016.

**International students are not eligible for Dean’s Scholarships**

We encourage students to apply as early as possible. The Dean’s Scholarship fund is limited. Please be advised that financial awards are meant to assist students who could not otherwise attend the program. Awards provide partial assistance only; they do not cover the entire program fee.

Awards are made until funds are depleted. We cannot guarantee that all applicants who apply before the deadline will receive scholarship assistance.

**HOW TO APPLY FOR A DEAN’S SCHOLARSHIP:**

Scholarship applicants must have a completed and submitted 2016 The Cloud Forest: Costa Rica program application on file. You are not able to apply for financial aid without first applying to the program. Applicants will be notified of their award status on or before **February 19th, 2016**

Dean’s Scholarship applications will not be reviewed until the applicant has been accepted to the program of his/her choice. Incomplete scholarship applications will not be reviewed.

A complete Dean’s Scholarship application consists of:

- Dean’s Scholarship Application form
- A copy of a filed and signed 2014 or 2015 federal tax return* showing adjusted gross income (include a copy of each parent or guardian’s tax return, if filed separately)
- Copies of W-2 form(s) from the same year as the submitted tax return

* The first two pages of a 1040 tax return are required, with the "Profit or Loss from Business" page only if the taxpayer is self-employed. Do not include supplemental schedules/forms, as they are not required for financial aid determination.

Please send the completed application in its entirety to Brown University using one method. **Do not split up your application materials** (ex. emailing your application page, and faxing your tax forms). **This will delay your scholarship processing.**
