Find your Rate Your Plate score:

Total checks in column A = x 3 =

Total checks in column B = x 2 =

Total checks in column C = x 1 =

TOTAL

If your score is:

58 - 72: You are making many healthy choices.

41 - 57: There are some ways you can make your eating habits healthier.

24 - 40: There are many ways you can make your eating habits healthier.

Look at your Rate Your Plate responses.

Do you have any responses in Column A? If you do, great! You are already making some heart healthy choices. Look at your responses in Columns B and C. Where you checked Column C, can you start eating more like Column B? Over time, move toward Column A.

Think about changes. Write down eating changes you are **ready to consider**.

Change #1: _____

Change #2: _____

Change #3: _____

Begin today. Make changes a little at a time. Let your new way of eating become a healthy habit.

Set goals. After discussion with your doctor, write down eating changes you are **ready to work on**.

Goal 1: _____

Goal 2: _____

Goal 3: _____
