

BROWN

School of Public Health

Society for Epidemiologic Research Meeting
June 18 - 21, 2019
Brown University
Department of Epidemiology Sessions

June 19

Symposium Oral Presenter:

Brandon Marshall, Associate Professor of Epidemiology

Presentation Title: "Usual and unusual care: Selecting control groups in behavioral interventions"

Symposium Title: "Spotlight on the controls: Interesting real-world challenges faced with control groups and the implications for randomized controlled trials"

Time: 10:00 am – 11:30 am

Location: Nicollet A

Concurrent Contributed Session Oral Presenter:

Sina Noshadjamal, PhD Student

Presentation Title: "Effect of longitudinally measured physical activity on the 10-year risk of heart failure among postmenopausal women: A Women's Health Initiative study"

Concurrent Contributed Session Title: "Cardiovascular Disease "

Time: 1:30 pm – 3:00 pm

Location: Nicollett D1

Concurrent Contributed Session Oral Presenter:

Yu (Seashore) Li, Biostatistician

Presentation Title: "Predicting drug overdose deaths in Rhode Island: A comparison of machine learning methods and variable selection procedures"

Concurrent Contributed Session Title: "Tracking the Burden of Substance Abuse"

Time: 3:30 pm – 5:00 pm

Location: Nicollet A

Poster Presenter:

David Savitz, Professor of Epidemiology

Poster Title: "Interventional Delivery for Hypertensive Disorders from 34-38 Weeks' Gestation and Maternal and Infant Health Outcomes"

Time: 6:30 pm – 7:30 pm

Location: Poster Session 2

Poster Presenter:

William Goedel, PhD Student

Presentation Title: "Increased Risk of Fatal Opioid Overdose Following Cold Weather: A Case-Crossover Study"

Time: 6:30 pm – 7:30 pm

Location: Poster Session 2

Poster Presenter:

Angela Bengtson, Assistant Professor of Epidemiology

Poster Title: "Estimating retention in HIV care: accounting for misclassification due to clinic switching"

Time: 6:30 pm – 7:30 pm

Location: Poster Session 2

Poster Presenter:

Hongseok Kim, PhD Student

Poster Title: "A cautionary note about assessing heterogeneity over outcome scores in randomized trials"

Time: 6:30 pm – 7:30 pm

Location: Poster Session 2

June 21

Symposium Oral Presenter:

Chanelle Howe, RGSS Assistant Professor of Public Health and Assistant Professor of Epidemiology

Presentation Title: "Selection Bias"

Symposium Title: "The baddest of the bad: Ranking the most pernicious biases facing observational studies"

Time: 10:00 am - 11:30 am

Location: Nicollet A

Professional Development Presenter:

Chanelle Howe, RGSS Assistant Professor of Public Health and Assistant Professor of Epidemiology

Professional Development Session Title: "Dissertation Survival Skills"

Time: 12:00 pm - 1:00 pm

Location: Nicollet D3
