9. PLCY 1700K, Health Policy Challenges

---

**One Humanities/Fine Arts/Humanistic Social Sciences PH elective (HFA)**

(see list on reverse)

---

**One Biology/Human Physiology elective**

(AP BIO does not satisfy this requirement)

1. BIOL0200, The Foundation of Living Systems
2. BIOL0470: Genetics
3. BIOL0510: Microbiology
4. BIOL0530: Principles of Immunology
5. BIOL0800: Principles of Physiology

---

**Two approved General electives**

(see list on reverse)

No more than one may be a BIOL course.

---

**Honors (2 courses)**

1. Submit prospectus by May (or Nov) of 6th semester
2. Be in good academic standing
3. Demonstrate academic excellence - more A’s than B’s in PH courses
4. Enroll in PHP 1980 in both semesters of senior year to conduct research and write the honors thesis.
5. Submit an honors thesis judged to be of superior quality in April of 8th semester (Nov. for mid-year completers)
6. Present a poster or deliver an oral presentation

3.28.19
AB PUBLIC HEALTH DEGREE REQUIREMENTS, CLASS OF 2021 AND BEYOND

Study Abroad/Study Away
1. Best semester: Spring of junior year
2. AB/MPH students cannot study abroad senior year
3. Courses taken elsewhere may be applied to non-core courses (electives).
4. Meet with concentration adviser and be prepared to provide syllabi for courses to be considered for transfer (up to 2 per semester).
5. Pre- and post-completion permissions/forms required.

Bear in mind that the lists on the reverse side and below can never be fully comprehensive as course offerings are always changing across campus. Please feel free to discuss the suitability of a course not found on these lists with your advisor by sending a copy of the syllabus.

Choices for General electives
Include ALL PHP course offerings as well as course lists of defined content areas listed above. Any Biology course can count as a general elective, but no more than one of the two may be a Biology (BIOL) course.

AMST 1906P, Food in American Society and Culture
ANTH 0110, Anthropology & Global Social Problems
ANTH 0300, Culture and Health
ANTH 1020, AIDS in Global Perspective
ANTH 1242, Bioethics and Culture
ANTH 1300, Anthropology of Addictions and Recovery
ANTH 1310, International Health: Anthropological Perspectives
CLPS 0700, Social Psychology
CLPS 1700, Abnormal Psychology
CLPS 1783, Nudge: How to Use Social Psychology to Create Social Change
