Questionnaire for TAPS 0030  Introduction to Acting and Directing

Please complete this document and give to the instructor of the section you wish to take. You can email it or bring it with you when you attend your requested section of the class.

Each section is limited to 18 students. There is no guarantee you can get into the section you request. We will fill all four sections for BOTH semesters very quickly. Please check your schedules and be flexible. We appreciate your patience and hope to find room for every interested student.

Mark your preferred sections by writing “1” for first choice, “2” for second, etc. If you absolutely cannot take one of these sections, please write “no” next to that section.

Attend the section(s) you would like to take. If you do not attend at least part of your requested section and check in with the instructor, you will lose your option to attend that section. Once you are assigned a section you will receive an override Pin number so you can register.
