Brown offers 80+ undergraduate concentrations — or you can design your own.

Special programs

• The Brown/RISD Dual Degree Program is a five-year program allowing students to earn a bachelor of arts degree from Brown and a bachelor of fine arts degree from Rhode Island School of Design.

• The Program in Liberal Medical Education (PLME) is an eight-year continuum that allows students to combine both their undergraduate and medical school education at Brown.

Brown’s Open Curriculum

Brown’s innovative Open Curriculum, with no core requirements outside of the concentration, makes students the architects of their own education. This flexible but rigorous approach to undergraduate education pushes students to be creative thinkers, intellectual risk-takers and entrepreneurial problem-solvers.
