Imagine Brown

Located in historic Providence, Rhode Island, Brown University is the seventh-oldest college in the United States. It is an independent Ivy League institution comprised of undergraduate and graduate programs, plus the Alpert Medical School, School of Public Health, School of Engineering, and School of Professional Studies.

Brown’s vibrant, diverse community consists of 6,400 undergraduate students, 2,000 graduate students, 500 medical school students, and over 700 faculty members. Brown students come from all 50 states and more than 100 countries.

brown.edu
CAMPUS LIFE

- **400+** student groups that reflect Brown students' diversity of interests
- **49** residence halls — guaranteed housing all four years
- **11** eateries across campus — two large dining halls and smaller venues including convenient snack carts
- **24** hour medical advice and emergency services available on campus
- **38** Division I varsity sports teams
- **4** branches of ROTC available

UNDERGRADUATES — Class of 2020

PROFILE

- **32,390** applicants
- **3,015** admitted
- **1,686** enrolled
- **11%** first generation
- **40%** students of color
- **48** states, **58** nations, **60** languages

- **>1800** undergraduate courses offered per year

SPECIAL PROGRAMS

- The Brown/RISD Dual Degree Program is a five-year program allowing students to earn a Bachelor of Arts degree from Brown and a Bachelor of Fine Arts degree from Rhode Island School of Design.
- The Program in Liberal Medical Education (PLME) is an eight-year continuum that allows students to combine both their undergraduate and medical school education at Brown.

FINANCIAL AID

If Brown is for you, we'll help you get here.

Brown students are defined by talent and promise, not by financial resources.

Our financial aid policies are designed to enrich our campus community by ensuring that students of talent and ambition who qualify for admission can come to Brown — regardless of their economic circumstances. We are committed to meeting 100% of demonstrated financial need for all eligible undergraduates as determined by Brown's Office of Financial Aid.

- **$120.5 million** is the amount of need-based scholarship budgeted for the 2016-2017 year
- **100%** of a student's demonstrated financial need met by Brown
- **65%** of students receiving financial aid who have no loans in their financial aid awards
- **32%** of undergraduate students receiving financial aid who have $0 expected parent contribution from income
- **$47,940** is the average need-based award for students in the class of 2020 who received financial aid

WHEN TO APPLY

- **Early Decision Applicants:** November 1
- **Regular Decision Applicants:** January 1

HOW TO APPLY

Submit the Common Application, including your responses to the Brown essays/questions, at www.commonapp.org

BROWN’S OPEN CURRICULUM

- Gives students a rare degree of independence and responsibility in crafting their academic path. With no required core curriculum or distribution requirements, Brown students are truly the architects of their own education.
