How can the CareerLAB staff help me?

**Peer Career Advisors**
Students meet with a PCA before scheduling an appointment with a counselor. Peer Career Advisor Open Hours are the place for quick questions or help with resumes and/or cover letters.

These chats typically last 10-15 minutes and cover topics such as:
- Creating or updating resumes, cover letters, and LinkedIn profiles
- Exploring Brown and CareerLAB’s resources including BrownConnect, Handshake, and more
- Practicing interview skills

To get started, drop by during Peer Career Advisor Open Hours at CareerLAB from 1:30-3:30 pm - Mondays through Fridays and Sundays, too!

**Career Counselors**

After initial meetings with PCA’s, students may schedule appointments with Career Counselors.

These meetings last 30 minutes and cover topics such as:
- Feeling confused or uncertain about what direction to take
- Completing a career assessment of your skills, values, interests, and matching your personality to jobs that fit best
- Making connections between concentrations and careers
- Developing individualized career plans
- Practicing interviews and getting feedback
- Making decisions about job offers and getting tips on negotiating

All counselors are available to chat about any industry.

To get started, log in to Handshake at brown.joinhandshake.com.

**No specific questions? No problem!**
Career Counselors can drive the conversation if you are unsure of where or how to start.

Counselors are here for you throughout your time at Brown as you explore and discover potential pathways.

**Visiting CareerLAB**
We are located at 167 Angell Street, next to Paragon and across the street from the Brown Bookstore side entrance.
