by and between
the
CITY OF PROVIDENCE
and

I. Introduction

The parties recognize that Brown provides substantial economic, educational and non-economic benefits to the City and the community. Further, Brown is amenable to working with the City to advance the growth of Brown while simultaneously assisting the City.

In recognition of the parties’ mutual interests, Brown and the City have therefore entered into this Agreement as follows.

II. Payments to the City

Provided that the “Conditions to Payment” (hereafter defined) have been satisfied and at all times during the term of this Agreement remain satisfied, Brown shall make the payments (in readily available funds) as follows:

June 1, 2014 - Three Million Nine Hundred Thousand Dollars	(\$3,900,000)

June 1, 2021 - Two Million Dollars	(\$2,000,000)
June 1, 2022 - Two Million Dollars	(\$2,000,000)

III. Conditions to Payment

The “Conditions to Payment” shall mean that:

1. Title to certain real property shall be conveyed by the City to Brown as described in Section IV below (the “Street Conveyance Condition”).

2.A License of certain property and parking rights shall be entered into between the City and Brown as described in Section V below (the "Parking License Condition").

3.The "Legal Compliance Conditions" described in Section IV and VI below shall have been satisfied and shall remain satisfied.

IV. Street Conveyance Condition

The "Street Conveyance Condition" shall mean that no later than December 31, 2012, the City shall have conveyed to Brown good, clear, record and marketable title to approximately 65,000 s.f. of City owned streets adjacent to the Brown campus that are bounded on both sides by Brown properties, specifically: one block of Olive Street between Thayer and Brown Streets, two blocks of Brown Street between George and Charlesfield Streets, and one block of Benevolent Street between Brown and Magee Streets (the "Street Conveyance"). The property to be conveyed by the Street Conveyance is depicted on Exhibit A attached hereto.

V. Parking License Condition

The "Parking License Condition" shall mean that no later than June 30, 2012, the City shall have entered into an agreement with Brown pursuant to which the City will license to Brown on a non-exclusive basis, for an initial term of 20 years beginning no later than July 1, 2013, 250 parking spaces on public streets near the Brown campus as identified by Brown in the attached Exhibit B. The parking spaces shall be used primarily for Brown University faculty and staff parking.

The Parking License shall provide for two (2) additional ten-year option terms. The Parking License shall provide that no rental payments shall be due during the initial License Term (the payments required hereunder being the required consideration to consummate such License Agreement), provided; however, Brown will pay the City market rental rates during the option terms pursuant to a mutually agreeable mechanism to establish market rental rates to be included in the Parking License.

Brown, at its sole cost and expense, shall institute a parking permit system approved by the City so that the City can accurately and readily identify such Parking License participants. The Parking License shall provide that all income and other fees derived from or generated by the parking program instituted by Brown under the Parking License permit system shall be kept exclusively by Brown, and that all income and other fees derived from or generated by enforcement and compliance activities shall be kept exclusively by the City. In no event shall the Parking License be used to permit Brown to charge the general public for parking in the subject parking areas. Any income generated by the general public using the subject parking spaces shall be kept exclusively by the City. To the extent that any of the subject properties are not currently metered, they shall not be metered during the term of this license. The City will enforce the agreement by ticketing those who park for more than the allotted time without a Brown permit and those who park during the time that is designated as no parking without a Brown permit.

VI. Legal Compliance Condition

The “Legal Compliance Condition” shall mean that the City shall have caused to occur all legislative and administrative actions necessary under applicable law in order for the Street Conveyance to occur, the Parking License to be entered into, and none of the foregoing shall have been made the subject of any appeal or legal challenge (or if the same shall have occurred, the same shall have been favorably and finally disposed of), or found to be invalid in any legal proceeding, nor shall there be any further administrative or legislative actions to amend, modify, rescind, regulate or restrict the Street Conveyance, the Parking License or Brown’s rights there under.

VII. Existing Memorandum Unaffected

The June 5, 2003 Memorandum of Understanding (the “MOU”) by and amongst the City, Brown, and three other educational institutions (a copy of which is attached hereto as Exhibit C) remains in full force and effect and is not modified by this Agreement in any way.

VIII. Non Performance, Default, and Remedies

The parties agree that each shall act in good faith in implementing the terms of the agreement.

If at any time a Condition to Payment is not satisfied, Brown shall have no obligation to make any further payment hereunder. In addition, if any payments have previously been made and a Condition to Payment becomes unsatisfied, and such failure continues for at least 60 days after notice from Brown, the City shall return any payments previously made to the City, EXCEPT that in no event shall any portion of the “initial payment” be returned to Brown, nor shall any offset or credit be associated therewith at any time.

In the event that either party shall fail to perform fully the obligations contained in this agreement, the other party shall be entitled to fully enforce the outstanding obligations.

In the event that the Conditions to Payment have been satisfied and Brown fails to make any payment to the City in accordance with the time frame specified for such payment, the City shall, as its exclusive remedy, be entitled to seek damages in a court of law. There shall be no notice and cure opportunities for Brown with respect to monetary defaults.

In the event that the City breaches any of its material obligations under this Agreement or the Parking License and the City fails to cure any such breach within sixty (60) days from receiving written notice of the same, Brown shall be permitted to terminate this Agreement and no further payments required under the terms of this Agreement shall be due. Upon the City effectuating a cure, the notice of default shall be deemed null and void and this Agreement shall continue in full force and effect.

In the event that the City does not return the advanced monies in accordance with the provision of this paragraph, Brown shall be entitled to offset such amount, as a credit, to any and all fees and taxes or other monetary obligations (including payments due under the 2003 Memorandum of Understanding between the City from Brown) of any kind due to the City of Providence until such time as the full amount due and payable to Brown under this provision shall have been satisfied.

IX. Miscellaneous

The parties agree that this Agreement represents an effort on the part of Brown and the City to address mutual needs and the effect of the same is not intended to nor shall it affect, alter, diminish or modify the legal status, force, and effect of Brown’s tax exempt status in any way. Nothing in this Agreement shall prohibit or restrict Brown in its right to challenge any attempt to affect, alter, diminish or modify the legal status, force, and effect of Brown’s tax exempt status in any way.

General captions and section titles are for convenience of reference only, and shall not be used to construe this Agreement. References to a Section include subsections thereof.

The term "including" shall be interpreted to mean "including, without limitation," unless the context otherwise expressly specifies.

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which shall be deemed to constitute one instrument. Photocopies, facsimile and electronic versions (such as pdf, jpeg, and tif) of this Agreement shall be deemed originals and treated as binding.

This Agreement, including all exhibits attached hereto, constitutes the entire understanding and agreement of the parties hereto with respect to the matters hereof and supersedes all prior understandings and agreements in their entirety, if any, there being no other oral or written promises, conditions, representations, understandings, agreements or terms of any kind as conditions or inducements to the execution hereof and none have been relied upon by either party. Any subsequent conditions, representations, warranties, agreements or amendments to or modifications of this Agreement shall not be valid and binding upon the parties unless the same shall be embodied in a subsequent writing signed by both of the parties hereto.

Any notice or demand which must or may be given under this Agreement or by law shall be in writing and shall be deemed to have been given when delivered by personal delivery; one (1) business day after being deposited with a nationally recognized overnight courier; or two (2) business days after being deposited in the United States mail, certified, return receipt requested, full postage prepaid, addressed to the respective parties at the addresses set forth in the in this Agreement. All notices or demands sent to Brown shall be sent to the attention of the President with a copy sent simultaneously (in accordance with the methods herein provided) to the attention of the General Counsel.

The Institutions: Collectively, Brown, RISD, PC, and J&W.

INTRODUCTION:

This Memorandum of Understanding ("Memorandum") between the four Institutions and the City sets forth the understandings of the parties with respect to financial assistance to be provided to the City by the Institutions.

By entering into this Memorandum, the Institutions acknowledge the importance of the relationship between the Institutions and the City and, therefore, agree to make additional voluntary contributions to the City. The parties recognize that the Institutions, like other non-profit, religious, and charitable organizations, provide substantial economic and non-economic benefits to the City and the community.

THE UNDERSTANDING OF THE PARTIES:

While this Memorandum is in effect, each of the Institutions will make voluntary contributions to the City as described in this Memorandum.

1.0 Voluntary Payments.

1.1 Voluntary Payments. Each of the Institutions will volunteer payments to the City which will be comprised of the "Voluntary Payment" described in Section 1.1.1, the "Augmented Voluntary Payment" described in Section 1.1.2, and the "Transition Payments" described in Section 2.2.

1.1.1 Voluntary Payment. The Voluntary Payment will be paid in equal semiannual payments on December 1 and May 1 beginning on December 1, 2003 and the Voluntary Payment will cease and will be zero after May 1, 2023. The amount of the "Voluntary Payment" for each of the Institutions for each of the twenty applicable fiscal years of the City is listed in the schedule in Exhibit A.

1.1.2 Augmented Voluntary Payment. The Augmented Voluntary Payment also will be paid in equal semiannual payments on December 1 and the following May 1 beginning on December 1, 2003. The Augmented Voluntary Payment will cease and will be zero after May 1, 2007. The amount of the "Augmented Voluntary Payment," for each of the Institutions for each of the four applicable fiscal years, is listed in the schedule in Exhibit B.

1.1.3 New Properties. The Institutions have recently acquired, or are in the process of acquiring, the properties listed in the schedule in Exhibit B (the "New Properties") and have volunteered the Augmented Voluntary Payments in lieu of any Transition Payments relating to the New Properties. If, while this Memorandum is in effect, a full or partial payment of real estate taxes is paid to the City with respect to a New Property (other than with respect to taxes being paid by J&W for the New Properties owned by J&W, which tax payments are not covered by this Memorandum), the Institution shall be entitled to use such payment as an offset to reduce the amount of the Augmented Voluntary Payment. In addition, if an Institution should for any reason fail to complete the acquisition transaction for a New Property in whole or in part, then no Augmented Voluntary Payment will be made with respect to such New Property

(or the Augmented Voluntary Payment will be reduced pro rata if only a portion of such New Property is acquired) and any previously paid Augmented Voluntary Payments relating to such New Property (or portion thereof not acquired) will be credited toward other voluntary payments to be made by that Institution hereunder.

2.0 Transition Arrangements for Future Acquisitions.

2.1 Acquisition Parcels. If, at any time while this Memorandum is in effect, any Institution acquires a parcel of real estate in the City (other than a New Property) that is subject to real estate taxes, but will as a result of such acquisition become tax-exempt, then each such parcel shall be deemed to be a "Transition Parcel". Each Institution agrees to notify the City of its future acquisition of any parcel of real estate in the City to the same extent that other non-profit tax-exempt entities are required to provide notice of acquisition of property to the City pursuant to Rhode Island law or pursuant to any City ordinance that is uniformly applied to all non-profit, tax-exempt entities.

2.2 Transition Payments. After a Transition Parcel becomes exempt from real estate taxes, the Institution will contribute "Transition Payments" according to the Transition Payment Schedule listed below while this Memorandum is in effect. These payments are referred to as "Transition Payments" because they are intended to reduce the impact upon the City caused by the acquisition of the Transition Parcel by the Institution. One-half of the Transition Payment for a Transition Parcel will be paid on May 1 and one-half will be paid on December 1 of the applicable Calendar Years following the assessment date as of when the Transition Parcel becomes a tax-exempt parcel.

Transition Payment Schedule for a Transition Parcel (or portion thereof)

<u>Calendar Year</u>	<u>Amount of Transition Payment</u>
1. Initial Year	100% of Initial Transition Payment
2. Second Year	100% of Initial Transition Payment
3. Third Year	100% of Initial Transition Payment
4. Fourth Year	100% of Initial Transition Payment
5. Fifth Year	100% of Initial Transition Payment
6. Sixth Year	66.7% of Initial Transition Payment
7. Seventh Year	66.7% of Initial Transition Payment
8. Eighth Year	66.7% of Initial Transition Payment
9. Ninth Year	66.7% of Initial Transition Payment
10. Tenth Year	66.7% of Initial Transition Payment
11. Eleventh Year	33.3% of Initial Transition Payment
12. Twelfth Year	33.3% of Initial Transition Payment
13. Thirteenth Year	33.3% of Initial Transition Payment
14. Fourteenth Year	33.3% of Initial Transition Payment
15. Fifteenth Year	33.3% of Initial Transition Payment

2.3 Amount of Initial Transition Payment. The amount of the “Initial Transition Payment” for an exempted Transition Parcel shall be equal to the real estate taxes that were payable (after applicable abatements or any appeals that were pending when the Transition Parcel was acquired by the Institution or as otherwise legally permitted) with respect to such exempted Transition Parcel with respect to the Tax Year in which the Institution acquired the Transition Parcel. If such Transition Parcel should thereafter cease for any reason to be tax-exempt, then Transition Payments with respect to that Transition Parcel will be suspended, so long as the Transition Parcel remains taxable. If such Transition Parcel returns to tax-exempt status while this Memorandum is in effect, the Transition Payments will resume at the same point in the schedule that they were suspended. *For clarity, in no event will a Transition Payment and a real estate tax payment be made with respect to the same Transition Parcel for any one calendar year. For example, if the 6th Transition Payment is made, and the Transition Parcel becomes taxable for seven years, then when it becomes tax-exempt in the next year, the 7th Transition Payment would be made in the amount equal to 66.7% of the Initial Transition Payment.*

3.0 Miscellaneous.

3.1 Voluntary Undertakings. All parties agree that this Memorandum is a voluntary undertaking by the Institutions that was entered into even though the properties utilized by the Institutions are exempt from taxation and that the parties expect that such tax exemption will continue into the future. In the event, however, that Other Payments or Taxes (as defined in Section 3.5 of this Memorandum) are imposed upon any of the Institutions or their properties in the future that were not imposed upon the Institutions or their properties as of the date of the execution of this Memorandum, all parties agree that this Memorandum will terminate as to all of the Institutions thirty (30) days after the imposition of such taxes or fees, however any Institution may elect, in writing and at its sole option, within such thirty (30) day period, to continue this Memorandum in effect with regard to that Institution. For the purpose of interpreting this Section 3.1 only, the parties agree that the City may challenge the tax-exempt eligibility of any particular parcel based upon the use of such property utilizing any challenge that is legally available to the City as of the date of the execution of this Memorandum and for the purpose of interpreting this Section 3.1 only, the term Other Taxes or Payments shall exclude any property taxes that could be lawfully assessed or imposed as of the date of this Memorandum upon any Institution, or upon any property of any Institution, based upon the use of such property.

3.2 Exemption of MOU Properties. The term “MOU Properties” refers to the New Properties and any Transition Parcels that are covered from time to time by this Memorandum.

3.3 Tax-Exemption. The parties agree that nothing in this Memorandum affects, alters, diminishes or increases the legal status, force, or effect of the Institutions’ tax exemption. Each Institution represents to the City that it is a charitable corporation and is exempt from Federal income taxes under § 501(c)(3) of the Internal Revenue Code, as amended.

3.4 Change in Laws. The City agrees that, if at any time after the date of this Memorandum, there is a change in state laws resulting in the imposition of a tax whether in the nature of a user fee or otherwise (or there is an obligation in the nature of a real estate tax, regardless of the basis upon which the tax is calculated, or there is an obligation that has the effect of such a tax), with the result in any such event that directly or indirectly any Institution is required to make payments directly or indirectly to the City with respect to all or any portion of the MOU Properties ther, while this Memorandum remains in effect, such payment(s) will be credited against and shall reduce the Transition Payment and any other payments that each Institution has volunteered to make under this Memorandum.

3.5 Other Payments or Taxes. If, while this Memorandum is in effect, the City assesses or imposes any taxes, fees, charges, or payments that are not in effect as of the date this Memorandum is executed (“Other Payments or Taxes”) in respect to any Institution’s tax-exempt properties or that have the effect of a tax on any Institution or on any Institution’s currently tax-exempt property or currently tax-exempt operations, then in addition to any other right that such Institution may have, the Institution may contest the making of such Other Payments or Taxes and/or may offset (i.e., deduct) such Other Payments or Taxes from the Transition Payments or other payments volunteered to be made under this Memorandum and pay the Other Payments or Taxes under protest reserving the Institution’s rights. The term “Other Payments or Taxes” shall exclude water and sewer use charges and the like, and other fees charged to property, but only if they are uniformly applicable to similar property (regardless of ownership or use) in the City. In no event shall a decision by an Institution to continue this Memorandum in effect despite the imposition of Other Payments or Taxes constitute or be construed as an admission that such Other Payments or Taxes may lawfully be imposed. An Institution reserves the right to challenge the imposition of Other Payments or Taxes regardless of whether it chooses to continue this Memorandum in effect.

3.6 Notice of Intent Not to Pay. Each Institution’s voluntary undertaking to make the Voluntary Payments described in this Memorandum has been memorialized in this document to permit the City to take into account such payments when it prepares budgets for the City. With regard to any payments referred to in this Memorandum, it will be each Institution’s decision on a yearly basis whether to make such payments due during a fiscal year, and each Institution will give notice to the City of such decision at least fourteen months before the fiscal year in which such payments will not be made.

3.7 General. Captions and section titles are for convenience of reference only, and shall not be used to construe this Memorandum. References to a Section include subsections thereof. The term “including” shall be interpreted to mean “including without limitation,” unless the context otherwise expressly specifies. Footnotes and italicized explicative provisions are material parts of this Memorandum as fully as if set forth in the body of this Memorandum in regular typeface. This Memorandum may be executed in any number of counterparts, each of which shall be deemed an original, and all of which shall be deemed to constitute one instrument. This Memorandum constitutes the entire understanding between the parties and supersedes all

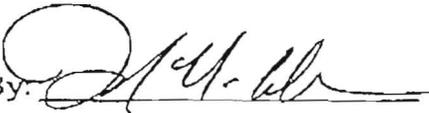

previous discussions, negotiations, and agreements between the City and the Institutions with respect to the understandings herein.

3.8 Duration of this Memorandum. This Memorandum shall continue in effect until June 30, 2023, unless sooner terminated as provided herein.

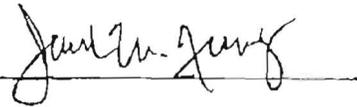

3.9 Sales Terminate Undertaking. The Institution's voluntary undertaking to make the Transition Payments described in this Memorandum will terminate as to a specific MOU Property upon the sale or other disposition of such MOU Property to a corporation, partnership, limited partnership, trust, or other legal entity, that is not owned or controlled by an Institution.

IN WITNESS WHEREOF, each of the parties has caused this Memorandum to be executed by their respective duly authorized officers as of the day and year first written above.
