

BROWN
School of Public Health

Interested in participating in research on alcohol use?

Brown University is conducting a study on drinking and the immune system.

PARTICIPANTS MUST BE:

- Ages 21-55
- Free of health problems that require medication
- Able to consume alcohol safely
- Able to attend 4 visits at our lab

Participants will be compensated up to \$350 for their time and effort.

This study does not involve medication or treatment.

Interested? Please contact our research staff!
