Dear xxxxxx,

You are receiving this message because you have applied for financial aid at Brown. Please visit the Financial Aid section of [Banner Self-Service](#) to review your financial aid eligibility and important messages for the 2021-22 academic year.

The detailed pages in Banner Self Service also provide helpful information about Brown's Cost of Attendance, your calculated Family Contribution, and your financial aid eligibility. Please carefully review all messages and important information. After you navigate through each section, you will have the opportunity to print a summary of your financial aid eligibility for 2021-22. If applicable, please be sure to share this information with your parent(s) or guardian(s).

Additional information such as financing options, can be found on our [website](#).

The Office of Financial Aid has carefully reviewed all of the information you submitted with your financial aid application in determining your award. As a reminder, you may have the opportunity to receive a financial aid adjustment due to the recent unemployment of a parent or yourself (if you are an independent student), or as a result of other circumstances.

Sincerely,
